THE SUNS OF BEACHES BAND

Buffett - Beaches - Beyond

RAIN DAY FESTIVAL MAIN STAGE

Dreamin' of the beach? No need to pack your bags, or grab your passport, the Suns of Beaches Band is ready to bring the beach to you!

The Suns of Beaches Band is hailed as one of the most authentic Jimmy Buffett Tribute Bands. With a motto of BUFFETT, BEACHES, and BEYOND, every show features favorites from Jimmy Buffett, tropical inspired artists, plus Suns of Beaches Band originals. With the Steel Drum front and center, every Suns of Beaches Band show is well produced and mimics the likeness of an actual Jimmy Buffett concert. Parrot Heads everywhere agree, every Suns of Beaches Band performance conjures up memories and feelings from an era that was sadly cut short with Jimmy's passing. The Suns of Beaches Band is honored to KEEP THE PARTY GOING and to make new memories along the way!

The Suns of Beaches are accomplished, fun-in-the-sun musicians with a combined 100+ years of live music experience. Most members performed together as a backing band for a nationally acclaimed Jimmy Buffett impersonator for almost two decades until he retired. While together, they performed across the country and played a couple special performances in the Caribbean. The Suns of Beaches Band have recently shared the stage with Peter Mayer and performed as the opening act for national recording artist Pablo Cruise.

Meet the Suns of Beaches Band:

- Adam Warble on steel pan and vocals,
 - Ben Sakmar on drums,
 - Dave Withrow on percussion,
- Keith Lisk on bass guitar and vocals,
- Jeremy McCall on guitar and vocals.

The Suns of Beaches are more than just a band, they're a beach party, and won't stop until they find that lost shaker of salt!
